Another victory for Parole.
LONDON, May 8.—Mr. Lorillard's Parole has retrieved his loss of the race for the Chester cup yesterday by winning that for the Great Cheshire handicap stakes, which took place to-day—the last of the Chester meetings. Lord Dufferin's four-year-old chestnut gelding, Beefer, who won the race for the Chester cup, got in second, and Lord Leigh's four-year-old bay colt Sir Joseph third. There were eight starters. Parole carried 134 pounds; Beefer 118, and Sir Joseph, 113. The distance of the course is nearly one mile and a quarter, and the race was for three-year-olds and

NEW YORK, May 8.—A special concerting in Pauline's victory this morning says: Pauline was last on the first turn round, then, assuming himself, he ran through the competition successfully.

LONDON, May 9.—The *Sportsman* says Parol, who won yesterday's race in the commonest canterbury, is a good horse, but does not think he is much feared by English owners in the Ascot, Goodwood, or Doncaster cups. In the gold cup races, he looked as the performer in portec's stupor, and in their ranks. The applause for the American horse was immense as he came in on a canter, past the winning chair.

AMERICAN HORSE INTERDICTED.

LONDON, May 8.—In the House of Commons to-day Right Hon. Geoffrey Hamilton, Viscount Strathclyde, asked the Secretary of State for the Colonies, Lord Stanley, whether he was aware that the Government were issuing orders to the Customs authorities in the United States that swine from the United States having been discovered suffering from the Irish virus, an order in council would be issued requiring the swine from the United States must be slaughtered at the port of landing. The order will take effect on the 1st of June, 1896.

Lord Stanley replied that the swine mentioned were those from Philadelphia, landed at Liverpool last week, mentioned in the dispatches of the 5th instant.

THE SOUTH AFRICA.

Mr. Stanley, Secretary of State for War, replying to an inquiry, said a dispatch from Lord Chelmsford, commander-in-chief of the South African forces, had been received from the Transvaal and Natal might require reinforcement, and Lord Chelmsford also asked for the necessary reinforcements to be sent to him.

He stated that the government had deferred action on until the receipt of further news.

FIVE THOUSAND MEN FOR THE CAPE.

It may be that the Government will announce that the government is making inquiries as to the facilities for the transportation of 5,000 men to the Cape.

A CHALLENGE TO ELLIOTT.
LONDON, May 9.—The *Spartan* announces that J. W. Bristow, of Auburn, N. Y., who is now at Newcastle, yesterday proposed to Elliott's backers to match Charlie Courtney, of Union Springs, N. Y., against Elliott, for \$2,000 a side, the match to be rowed on Saratoga Lake in August. The matter was fully discussed and no grave disagreement manifested. Another meeting on the subject was arranged.

IRMSHAK IN A HUFF.
BERLIN, May 8.—In the tariff debate in the Reichstag today, the Iron Chancellor, Prince Bismarck, came out as a really angry man. A very angry scene ensued. Prince Bismarck declared that the deputies should naturally respect the laws of politeness. He said he merely wished to restore the Zollverein, and must for this purpose remove the tariff barrier. He said that he was unduly favorable to foreign products. He still adhered to the whole of his program. Dr. Forelebenbeck, the President of the Chamber, ruled that Herr Lisske's attack on Prince Bismarck was severe, but not insulting. Prince Bismarck refused to retract his remarks and quitted the House.

TRUKISH POLICY.
